WHITE
EMISSION: undefined / Wallwash
Remote CONTROL GEAR
IP20
HOLE SIZE: 93mm ROUND

The Cardan family has a new addition with the Cardan Wall Wash. Like the original round and square versions the Cardan Wall Wash is a high quality die-cast downlight made for professional applications. Designed specifically for the Hero LED engines the Cardan Wall Wash has a specially engineered twist and lock system. The Hero series of LED engines offers a variety of lumen packages, beam angles, colour temperatures and dimming protocols, while guaranteeing the service maintenance of the engine.
